

1. Based on the Excel spreadsheet, here is a structured Likert scale **questionnaire for evaluating the decision support system (DAS) in a genetic clinic compared to the traditional approach (TA)**: Questionnaire: Evaluating the Decision Support System (DAS) in a Genetic Clinic

Metrics (2).xlsx

Please rate the following statements based on your experience with the Decision Aid System (DAS) and the Traditional Approach (TA) from 1 (Strongly Disagree) to 5 (Strongly Agree): Two out of the eleven questions are exclusively for healthcare providers.

Effectiveness (for health care provider)

1. The DAS accurately selects patients based on NCCN criteria. (for health care provider)

- DAS: [1] [2] [3] [4] [5]

- TA: [1] [2] [3] [4] [5]

2. The DAS reduces the time required for decision-making compared to TA. (for health care provider & patients)

- DAS: [1] [2] [3] [4] [5]

- TA: [1] [2] [3] [4] [5]

Efficiency

3. Booking appointments is more efficient with the DAS. (for health care provider & patients)

- DAS: [1] [2] [3] [4] [5]

- TA: [1] [2] [3] [4] [5]

4. The waiting time in the clinic is less with the DAS compared to TA. (for health care provider & patients)

- DAS: [1] [2] [3] [4] [5]

- TA: [1] [2] [3] [4] [5]

User Satisfaction

5. The DAS provides more precise information to patients and healthcare professionals. (for health care provider & patients)

- DAS: [1] [2] [3] [4] [5]

- TA: [1] [2] [3] [4] [5]

Patient Education and Engagement

6. The DAS better educates and engages patients in decision-making processes. (for health care provider & patients)

- DAS: [1] [2] [3] [4] [5]

- TA: [1] [2] [3] [4] [5]

Accessibility

7. The DAS offers superior remote access, enabling use outside the clinic. (for health care provider & patients)

- DAS: [1] [2] [3] [4] [5]

- TA: [1] [2] [3] [4] [5]

8. The DAS provides more accessible, relevant genetic information. (for health care provider & patients)

- DAS: [1] [2] [3] [4] [5]

- TA: [1] [2] [3] [4] [5]

Data Security and Privacy

9. I feel confident about the data security and privacy measures in DAS. (for health care provider & patients)

- DAS: [1] [2] [3] [4] [5]

- TA: [1] [2] [3] [4] [5]

Cost Implications

10. The DAS is more cost-effective, considering resources like printed materials and staff. (for health care provider)

- DAS: [1] [2] [3] [4] [5]

- TA: [1] [2] [3] [4] [5]

11. The transportation costs for patients are lower with the DAS. (for health care provider & patients)

- DAS: [1] [2] [3] [4] [5]

- TA: [1] [2] [3] [4] [5]

Please provide additional comments or observations you have regarding the DAS or TA: ...

Thank you for participating in this survey. Your feedback is invaluable.
